

SERVANT LEADERS TRANSPORTATION AND COURIER SERVICES INCORPORATED

MINORITY-OWNED BUSINESS ENTERPRISE (MBE)

COMPANY OVERVIEW

Servant Leaders Transportation and Courier Services Incorporated is a specialized logistics, passenger transit, and express courier provider based in Houston, Texas. Founded on principles of safety, absolute integrity, and client-first execution, we deliver highly reliable transport solutions across federal, state, and commercial sectors. Operating with agility as a minority-owned enterprise, we excel in handling sensitive client care transport, legal process deliveries, high-volume on-demand routes, and critical warehouse fulfillment. Our mission is to bridge complex logistical gaps with professional, secure, and rapid deployment.

CORE COMPETENCIES

- **Express Courier & Mail Delivery:** Time-critical transport of urgent documents, letters, parcel distribution, and high-priority legal files.
- **Specialized Passenger Transit:** Safe transport for outpatient, medical appointments, and high-care or psychiatric patient care logistics.
- **Legal Process Serving:** Secure routing, certified delivery validation, and legal document support infrastructure (NAICS 541199).
- **Last-Mile Warehouse Fulfillment:** Seamless handoffs, inventory transport from hubs, and localized customer point delivery.
- **On-Demand Logistics Fleet:** High-capacity route navigation, real-time tracking, and adaptive response to urgent schedules.

KEY DIFFERENTIATORS

- **Elite Patient Care Focus:** Direct specialized experience handling psychiatric and sensitive hospital transport under strict safety protocols.
- **High-Volume Fleet Efficiency:** Leveraged operational infrastructure capable of handling large-scale routes with zero delivery delay windows.
- **Texas State & Federal Readiness:** Fully registered with active identifiers to swiftly accept targeted state set-asides and federal contract awards.
- **Mission-Driven Reliability:** 'Servant Leadership' framework prioritizing high security, clear accountability, and verified chain of custody.

KEY PERSONNEL PAST PERFORMANCE

Procurement Note: Formatted to represent the documented operational history and hands-on capability of executive personnel.

Medical & Psychiatric Patient Logistics | Hospital Systems & Employers

Safely managed non-emergency medical transportation (NEMT) for healthcare employers. Managed patient transport protocols to regional hospitals and specialized medical appointments. Successfully executed specialized logistics for psychiatric and high-care patients with zero safety incidents.

High-Volume Rideshare & Fleet Operations | Uber Platform Tracking

Successfully completed thousands of high-demand consumer and passenger transits using advanced platform metrics. Maintained top-tier client ratings, optimized urban dispatch routes, managed fuel/vehicle efficiency, and generated documented commercial revenue under peak transit time windows.

Warehouse Logistics & Customer Deliveries | Commercial Fulfillment Lines

Coordinated and executed the physical transport of warehouse inventory directly to final customer destinations. Maintained high delivery satisfaction through precise handoffs, rapid cargo tracking, on-time arrivals, and robust inventory handling controls.
